### FOUR AND FIVE YEAR OLD PLAYGROUND PROGRAM

This year the Recreation Department will offer a half-day (9 a.m.-12 noon) four and five year old playground program. The program and format will be much the same as the full-day (9 a.m.-3 p.m., 6-12 year old) program, but will be essentially independent of the older program except in cases of some special events.

In order for this program to be a success, we will need support from parents and would request each mother with a child in the half day program, volunteer a minimum of one (1) morning per week to help out with activities. Also, we would like to see junior and senior high school students, who enjoy working with young children and would like a supervised experience doing so, volunteer a few hours per week to help out. Volunteers may call the Recreation Office for details.

Not unlike the 6-12 year old program, the four and five year olds will be offered a variety of low-organized games, group activities, arts and crafts, team sports and many special activities, geared to their age level. The program will be structured and offer as many different activities as possible.
